This handy paperback presents 80 songs designed to be sung as rounds. Each one appears on an uncluttered page or two, illustrated by a simple ink drawing. From sixteenth-century tunes to contemporary camp songs, the selection is rich and varied, and the appended bibliography, More Rounds for the Avid Singer, suggests other books and recordings. Song leaders will find the clearly written suggestions for round singing particularly helpful. A fine resource for school music teachers, choir directors, camp leaders, and children who sing for the love of it.
