The Story of Mr. Anti-Social Michael Jean DuBois

This is my autobiography. It's a story of perhaps the most solitary man you'll ever come across--a man in his 30s who is so anti-social that he has no friends, has never had a first kiss or a girlfriend, and was a no-show at his own college graduation party. It's been a really tough life, especially since I was fired from my last real job in 2008. With all the stuff I've gone through since, I should/could easily be dead by now, but I have persevered long enough to be able to tell my story.
