Badass Boy: Scouting Reinvented: A Unique Wilderness Survival Handbook of Outdoor Skills & How to Guide D S Morg

Return Scouting to its Original Roots of *Badassdom*. Become a Battle-Ready Survivalist and Upstanding Citizen!

What if it's possible to return the BSA to its former glory? What if we ignored the fickle tides of culture and the words "On my honor..." could actually *mean* something again?

At its founding, Baden Powell organized the Scouting movement as an organization for boys (with the guidance of caring, responsible leaders), to grow into strong, noble men and productive members of society. In those days, the organization was selective and rigorous, symbolizing greatness in youth. Over a century has passed since those days and something bad has happened to this once respectable organization. This book calls those with a love for this once-great organization to return to its former glory.

Amazon best selling author, D.S. Morg plays no games as he critiques the follies of the Twenty-First century Scouting movement. Drawing on more than two decades of Scouting experience as a member, a leader, and international traveler, and having taught thousands of scouts, Morg offers first-hand insight to pull Scouting back from the pit of mediocrity.

As the BSA continues to lower the bar, Morg calls attention to the often overlooked skills & values that were once considered essential for any boy who dared call himself a 'Scout'.

In *Bad Ass Boy: The Reinvented Scout*, you'll learn:

And much more!

Be the change you wish to see in the world, and become the man you **KNOW** you should be.

Get your copy now by clicking the BUY NOW button at the top of this page for instant delivery!

NOTE: **This book is far too offensive and opinionated to be affiliated with the Boy Scouts of America in any way. These calls to action, rejection of bull shite, and uncensored opinions are strictly those of the author and in no way represent those of the Boy Scouts of America as an organization. Maybe if they saw things the way the author does then they wouldn't be a dying organization, and their Eagle Scouts wouldn't be so much of a joke.**
