Growing In The Life Of Faith, Second Edition: Education And Christian Practices Craig Dykstra

In this new edition of his popular book, Craig Dykstra explores the contributions of the traditions, education, worship practices, and disciplines of the Reformed Christian community in helping people grow in faith. In doing so, he makes the case that the Christian church, in its own traditions, has a wealth of wisdom about satisfying spiritual hunger and the desire to know God deeply--wisdom that offers coherent, thoughtful guidance in such diverse settings as congregational life, families, youth groups, and higher education.
