## The Second Installment of the Hit Serial Featuring a Sexy SEAL Shifter and a Tough, Curvy Heroine

Chay Bane's years of experience tell him that Tara Morland is doomed, destined to lose against the panther that took over her mind and transformed her body. But even though the former SEAL panther shifter has made a career of rescuing other shifters in trouble, his connection to Tara goes far beyond his role in freeing her from the military prison where she'd been confined. And from the moment he lays eyes on her, Chay is determined to save her—whatever the cost.

All Tara wants it to master the beast inside of her, and she finds herself as dependent on the brilliant hacker Chay as she is attracted to him. But there are terrible secrets in the Black Mesa facility where Chay spirits her away—secrets that can threaten her hard-won sanity and her life.
