Stand the Storm: A History of the Atlantic Slave Trade Edwards Reynolds

"A multitude of black people of every description chained together, every one of their countenances expressing dejection and sorrow," stripped naked, shaved, and crammed into the steaming holds of the vessels. Over a period of three centuries ten million slaves were transported from Africa to the Americas amidst appalling conditions that went unheeded until the social pressures of the nineteenth century put an end to the trade. Thousands died even before they could be auctioned, but the supply was so plentiful it made little economic difference. In this graphic portrait of the Atlantic slave trade, Edward Reynolds uses primary and contemporary sources to present a realistic and balanced picture of the trade and its consequences. Beginning with the African background, he traces the impact of the trade on both Africa and the West, shows the resilience of African societies, and along the way demolishes a good many historical myths. *Stand the Storm* is clearly the best short history in print. "Remarkably comprehensive, clearly and simply written, and uncluttered with figures and tables. "Choice." "The value of this succinct and readable volume lies in the immense amount of material the author has rendered manageable for the general reader." *New Statesman*.

From reader reviews:

Celia Robertson:

Book is actually written, printed, or highlighted for everything. You can know everything you want by a guide. Book has a different type. As you may know that book is important point to bring us around the world. Next to that you can your reading skill was fluently. A guide Stand the Storm: A History of the Atlantic Slave Trade will make you to become smarter. You can feel more confidence if you can know about everything. But some of you think which open or reading a book make you bored. It's not make you fun. Why they are often thought like that? Have you seeking best book or suitable book with you?

Gary Lopez:

What do you about book? It is not important along? Or just adding material when you require something to explain what the ones you have problem? How about your free time? Or are you busy man? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? Every individual has many questions above. They must answer that question since just their can do that will. It said that about book. Book is familiar in each person. Yes, it is correct. Because start from on jardín de infancia until university need this kind of Stand the Storm: A History of the Atlantic Slave Trade to read.

Louise Fulghum:

Nowadays reading books be a little more than want or need but also be a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book this improve your knowledge and information. The data you get based on what kind of publication you read, if you want drive more knowledge just go with education and learning books but if you want sense happy read one together with theme for entertaining including comic or novel. The Stand the Storm: A History of the Atlantic Slave Trade is kind of guide which is giving the reader unstable experience.

Violet Iverson:

Reading can called thoughts hangout, why? Because if you are reading a book especially book entitled Stand the Storm: A History of the Atlantic Slave Trade your head will drift away trough every dimension, wandering in each and every aspect that maybe not known for but surely will become your mind friends. Imaging every single word written in a guide then become one type conclusion and explanation this maybe you never get previous to. The Stand the Storm: A History of the Atlantic Slave Trade giving you an additional experience more than blown away the mind but also giving you useful facts for your better life within this era. So now let us explain to you the relaxing pattern here is your body and mind is going to be pleased when you are finished examining it, like winning a casino game. Do you want to try this extraordinary shelling out spare time activity?
