The Shenandoah Valley Campaign of 1864

Jack H. Lepa

The Shenandoah Valley Campaign of 1864 Jack H. Lepa

A significant part of the Civil War was fought in the Shenandoah Valley of Virginia, especially in 1864. Books and articles have been written about the fighting that took place there, but they generally cover only a small period of time and focus on a particular battle or campaign. This work covers the entire year of 1864 so that readers can clearly see how one event led to another in the Shenandoah Valley and turned once-peaceful garden spots into gory battlefields. It tells the stories of the great leaders, ordinary men, innocent civilians, and armies large and small taking part in battles at New Market, Chambersburg, Winchester, Fisher's Hill and Cedar Creek, but it primarily tells the stories of the soldiers, Union and Confederate, who were willing to risk their lives for their beliefs. The author has made extensive use of memoirs, letters and reports written by the soldiers of both sides who fought in the Shenandoah Valley in 1864.
