## **Presidential Wives: An Anecdotal History** Paul F. Boller

In *Presidential Wives*, Paul Boller brings his gift for telling detail to bear on the women our Presidents married, and the result is a biographical feat--at once funny and poignant, dramatic and illuminating, covering every First Lady from Martha Washington to Hillary Rodham Clinton. Boller devotes a full chapter to each of his subjects, featuring an incisive biographical essay followed by a selection of revealing anecdotes. Through his portrayal of such a diverse group of women, Boller sheds new light on how much the institution of the presidency tells us about ourselves and our life as a nation.

First published in 1988, this second edition has been revised to include updated information on people such as Nancy Reagan and Jacqueline Kennedy Onassis, a new preface, and new chapters devoted to Barbara Bush and Hillary Rodham Clinton.
