## **Reiki III: A Manual** Janet C Soldon, Kenneth J Nelan

Written by experts in the field, the authors have brought their 40+ years of knowledge and experience as Reiki Masters, Teachers, and Practitioners in the community, to capture the essence of Energy Healing through this time honored tradition. Their own search for a comprehensive and complete manual, including an ethical perspective, has led them to create this manual on one of the fastest growing fields of natural healing. Reiki III: A Manual covers everything from the history of Reiki, to hand positions, and the Twenty-One Day Cleanse. This manual separates out the Reiki Master from the Reiki Teacher and focuses solely on the Spiritual level of Reiki. This is not a teacher level book.
