The Life Of George Washington, Vol. 5: Extended Annotated Edition Washington Irving

This is the extended annotated edition including a detailed biographical primer on the life and works of the author.

"The Life Of George Washington" is a monumental work on the life of one of the most famous American presidents. Originally published in five volumes between 1853 and 1859, it is a treasure chest of information on Washington and the Civil War. This work is presumably the most intimate and fascinating biography of a man who worked his way from an Army commander to the first President of the United States.

This is volume five out of five.
