The Wage Slave's Glossary Joshua Glenn

AS FEATURED IN THE OCCUPY WALL STREET PROTEST LIBRARY

Everybody knows a brown-noser when they see one. But how about a *freeter*? A *workbrickle*? A *jack*? Can they tell downsizing from *greybearding* or *brightsizing*?

With *The Idler's Glossary* (2008), Mark Kingwell and Joshua Glenn offered a spirited defense of leisure. As confirmed idlers themselves, they assured us their Glossary could provide “everything you need to know about how to conduct a life.” Today, however, as we recover from the worst global recession since 1929, the work-world is a very different place. In order to understand it better, our anti-capitalist etymologists are therefore putting down their cigars, picking up their shovels, and drudging out English from the ditch of corporate jargon. For anyone who’s ever had to toil for high muckety-mucks, *The Wage Slave's Glossary* is essential reading—as the moral wit of Kingwell & Glenn is indispensable to the present age.

From reader reviews:

Bruce Brown:

The book The Wage Slave's Glossary can give more knowledge and also the precise product information about everything you want. Exactly why must we leave the best thing like a book The Wage Slave's Glossary? A few of you have a different opinion about e-book. But one aim that book can give many information for us. It is absolutely appropriate. Right now, try to closer with the book. Knowledge or facts that you take for that, you are able to give for each other; it is possible to share all of these. Book The Wage Slave's Glossary has simple shape but the truth is know: it has great and big function for you. You can look the enormous world by available and read a book. So it is very wonderful.

Christine Flint:

As people who live in the particular modest era should be update about what going on or details even knowledge to make all of them keep up with the era which is always change and move forward. Some of you maybe will certainly update themselves by reading through books. It is a good choice for you personally but the problems coming to anyone is you don't know which you should start with. This The Wage Slave's Glossary is our recommendation to help you keep up with the world. Why, as this book serves what you want and wish in this era.

Luis Hahn:

Is it you actually who having spare time in that case spend it whole day by means of watching television programs or just laying on the bed? Do you need something new? This The Wage Slave's Glossary can be the solution, oh how comes? It's a book you know. You are and so out of date, spending your spare time by reading in this brand new era is common not a geek activity. So what these textbooks have than the others?

Anthony Lainez:

As a college student exactly feel bored to be able to reading. If their teacher requested them to go to the library in order to make summary for some book, they are complained. Just little students that has reading's heart or real their hobby. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that reading is not important, boring and can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this The Wage Slave's Glossary can make you experience more interested to read.
