**Fundamentals of Human Resource Management (2nd Edition)** Gary Dessler

A comprehensive and modern review of human resource management.

*Fundamentals of Human Resource Management* covers a wide range of HR topics while also getting readers straight to the point on the importance of human resource management. Offering a wealth of functional examples and applications, this text emphasizes the notion that all managers need basic human resource management skills.

This edition is the first text on the market to build its core around the talent management process—which the authors define as the goal-oriented and integrated process of planning, recruiting, developing, managing, and compensating employees.
