Jessica has a problem: she is too distracted by boys to focus on her freshman classes, including the physics class taught by her strict older stepbrother Mitch. Things get worse when she accidentally trades pictures of her body with him over the Internet. Now she knows he's a Dom, while he has no idea she wants to be Sub or that they've chatted at all. Distracted by these fantasies, Jessica fails her midterm in his class.

Furious, Mitch demands better from his stepsister. He insists on giving her private lessons at his home, convinced she needs a firm hand from the professor to concentrate on her studies. But when the truth comes out—that they're both into BDSM—the weekend of study becomes even more intense. With ropes, spankings, and total domination by an alpha male, Jessica is taught a hard lesson she'll never forget.

*Hard Lessons is a **stand-alone** romantic short in a college setting meant for mature readers. It features some sexy scenes between a professor and student who happen to be stepsiblings. It features BDSM elements including spanking, rope bondage, and anal play.*
