Excerpt from The Early History of Jackson County, Georgia

Thus does God verify His saying, And a little child shall lead them. Through the work of a little boy these records have been saved from oblivion. We can learn a few things about how the first settlers began the work of redeeming the forest and building homes in the garden spot of all Georgia.

We have made just as few changes as possible, leaving, as it were, the author in his work, even to the peculiar manner of spelling some words.
