The Elements Trilogy Omnibus includes Unknown, Unseen and Unleashed. Embark on a treacherous journey into the unknown with two characters who must face their ultimate fears and desires in order to save their world from the impending darkness. This epic fantasy series is set in a medieval world and incorporates elements of magic, prophecy and forbidden love. ***** A light can shine in the darkness and the darkness cannot overcome it. ***** UNKNOWN Darkness is covering the land. As the city of Mezrah grows with power and greed, the rest of the world can only stand by and wait for their inevitable destruction. The only hope against this growing power is an ancient prophecy that people have stopped believing in. Then a star begins to fall. Princess Kyla of Taramon stopped believing in the power of light the day her father died. Trapped in a city she does not care for, under the watchful glare of her mother, the queen, she struggles to accept her fate. Then a star begins to fall. Jethro has loved Kyla for as long as he can remember. Learning that she was to marry his cousin drove a wedge between him and the feisty princess. Watching her from a distance is a torture he is unable to free himself from. Then a star begins to fall, sparking an ember of hope and sending two seekers on a treacherous journey into the unknown. UNSEEN Dark forces prepare to descend upon the heroes of prophecy as they continue to seek the remaining elements and resurrect the God of Light. And now they have one more power they must overcome...their forbidden love for each other. Meanwhile in Taramon, Athra faces his own demons as he frets over the safety of his fiancée while trying to counter a dark evil that is brought to his doorstep. Treachery lurks in the shadows, forcing the future king into an action that could destroy his beloved city. UNLEASHED The light has been found, two sparks have been ignited and very soon a furious light will be unleashed. Kyla's faith is brought to the ultimate test. As she comes face to face with the insidious darkness, she must decide if she can once again trust in the God of Light to save her.
