The Story of Doctor Dolittle (Illustrated) (Classic Books for Children Book 65) Hugh Lofting

Doctor John Dolittle is the central character of a series of children's books by Hugh Lofting starting with the 1920 *The Story of Doctor Dolittle*. He is a doctor who shuns human patients in favor of animals, with whom he can speak in their own languages. He later becomes a naturalist, using his abilities to speak with animals to better understand nature and the history of the world.

Doctor Dolittle first appeared in the author's illustrated letters to children, written from the trenches during World War I when actual news, he later said, was either too horrible or too dull. The stories are set in early Victorian England, where Doctor John Dolittle lives in the fictional English village of Puddleby-on-the-Marsh in the West Country.

This edition of the book contains all 32 of the original, rejuvenated illustrations.

Hugh John Lofting (14 January 1886 – 26 September 1947) was a British author, trained as a civil engineer. Lofting was born in Maidenhead, Berkshire in January 1886 to English and Irish parents. His eldest brother was Hilary Lofting, who later became a novelist in Australia, having migrated there in 1915. Seriously wounded in the war, in 1919 Lofting moved with his family to Killingworth, Connecticut, in the US. He was married three times and had three children.

* This e-book is a true representation, from a high-definition scan of a pre-1923 print version of the book. Unlike other e-copies of the book, it was not produced by using Optical Character Recognition (OCR). OCR-scanning old books is seldom, if ever, error-free. This often results in an e-book with many **, ^^, >> and typographic errors when OCR can't read the word or punctuation correctly.

* "True representation" means that if there are typographic, spelling, or grammatical errors that the editor judges to have minimal impact on the book's comprehension, they have been preserved; otherwise, they were corrected.

* In other words, no changes or as few as possible have been made to either illustrations or text in order to bring you an e-book that is as close to the original as possible.

The Enjoyable arrangement here cannot be questionable, just like treasuring beautiful island. Use you still want to miss this? Find this book as well as read it from today!

Brandon Seymour:

As a university student exactly feel bored in order to reading. If their teacher inquired them to go to the library as well as to make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that reading is not important, boring in addition to can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this The Story of Doctor Dolittle

(Illustrated) (Classic Books for Children Book 65) can make you feel more interested to read.
