\*\*\*\*\* This is a saga series and each book can be read as a standalone \*\*\*\*\*

*How do you trust someone who is everything you're trying to avoid?*

**Harper Lindell** is having a bad day. You know, if a bad day consists of getting fired from your cushy job and then catching your boyfriend red handed playing hide the salami.

Sick of meeting the same guys over and over, Harper decides to try her luck at Internet dating. How bad could it be? Right?

**Tate Washington** wasn't looking to meet anyone. Still dealing with the consequences of his one serious relationship, all he's interested in is revamping his family's behind-the-times café.

He didn't plan on seeing the beautiful receptionist from Argo again, walking into his life to use his café as a dating hub, and using him as a BFF.

*Can Harper really trust Tate, who is everything she thinks she needs to steer clear of?*

*Can Tate wait while Harper works through her insecurities and fears?*
