H.P. Lovecraft: The Case of Charles Dexter Ward (Weird Tales, 1941) - The anthology horror science fiction from Howard Phillips Lovecraft (H.P. Lovecraft)

What did Lovecraft mean when H.P. Lovecraft wrote his fiction:

"I should describe mine own nature as tripartite, my interests consisting of three parallel and dissociated groups – (a) Love of the strange and the fantastic. (b) Love of the abstract truth and of scientific logick. (c) Love of the ancient and the permanent. Sundry combinations of these strains will probably account for all my odd tastes and eccentricities". (SL 1.110)
