Jack: Red, Hot, & Blue, Book 2 Cat Johnson

The best way to heal a broken heart is to jump right back on the horse. So to speak... After watching the girl he's crushed on for years fall for his best friend, the last thing special operative Jack Gordon wants is a vacation. If cooling his heels doesn't drive him crazy, doing it under his family's scrutiny will. But once he's back home things get more than a little interesting. The new farm hand is cute, sexy--and his instincts tell him she's got something to hide. Luckily, he's got the skills and the backup to find out what.

Gordon Equine is the perfect place for Niccolina Campolini. The Gordons pay in room, board and cash. And they don't ask questions. Perfect for a girl on the run...until Jack shows up. Sexy as hell and far too inquisitive, Jack strikes sparks and suspicions that put both her body and her heart in danger.

Jack knows better than to trust a woman with as many shadows as Nicki, but the heat waves of their attraction are messing with his focus. And when her secrets catch up with her, he's not sure if he's protecting her from something, or protecting his family from her...

Warning: This book contains extremely stupid gangsters bearing guns, a bored team of special operatives looking for some action, and one Southern gentleman guaranteed to charm your panties off.
