Mountain Weather: Understanding Britain's Mountain Weather (Cicerone Techniques) David E. Pedgley

The third edition of this popular guidebook aimed at helping walkers and climbers to plan their activities so as to avoid the inconvenience, or even danger, posed by bad weather in the UK mountains. The book provides an understanding of our complex and ever-changing weather that will enhance the mountain experience for all outdoor enthusiasts. Based on the latest weather research, and illustrated with maps and satellite imagery, the guide helps you to understand weather maps and forecasts and to 'read' the weather on the hills. With experience, you can develop the skills not only to interpret forecasts, but to anticipate changes in the weather by reading the environment around you.
