## Privilege: A Reader

Innovative and thought-provoking, this timely anthology expands the concept of privilege in America beyond the traditional limiters of being white and male. In addition to readings from well-known authors in the field, this edition includes pieces from contemporary scholars breaking new ground in superordinate studies. Seventeen carefully selected essays explore the multifaceted aspects of privilege: how race, gender, class, and sexual preference interact in the lives of those who are privileged by one or more of these identities. Written from a variety of viewpoints, personal and analytic, the essays in this volume help students understand that “race” can mean white people, “gender” can mean men, and “sexuality” can mean heterosexuals.

### I. MAKING PRIVILEGE VISIBLE

1. McIntosh, Peggy. “White Privilege and Male Privilege.”
2. Woods, Jewel. “Black Male Privilege.” \*
3. Larew, John, “Why are Doves of Unqualified, Unprepared Kids Getting Into our Top Colleges?”
