**Secret Affairs** Lanay Jackson

**A new BWWM erotic romance**

All Anika wants is an investor to believe in her dream. She wants to open up her own salon, but being young and black means that no one is coming to help her. She'll have to do it on her own.

She works a nine-to-five to save up, but her wheels are spinning and she isn't getting ahead.

Is one night with her white boss enough to make her dreams come true?

**This is a book meant for adults and features consenting adults**

### From reader reviews:

#### **Ella Butler:**

In this 21st millennium, people become competitive in each and every way. By being competitive right now, people have to do something to make these individuals survive, being in the middle of typically the crowded place and notice by means of surrounding. One thing that occasionally many people have underestimated this for a while is reading. Yep, by reading a publication your ability to survive rises then having a chance to stand out is high. For you personally who want to start reading any book, we give you that Secret Affairs book as a nice and daily reading guide. Why, because this book is usually more than just a book.

#### **Bob Pratt:**

Nowadays reading books is more than a want or need but also works as a lifestyle. This reading behavior gives you a lot of advantages. The huge benefits you get of course are the knowledge and information inside the book that improve your knowledge and information. The details you get based on what kind of reserve you read, if you want to get more knowledge just go with education books but if you want to really feel happy read one having a theme for entertainment, for example a comic or novel. The particular Secret Affairs is a kind of guide which is giving the reader an unforeseen experience.

#### **Billie Luster:**

Reading an e-book tends to be a new lifestyle in this era of globalization. With reading you can get a lot of information that may give you a benefit in your life. Using books everyone in this world could share their ideas. Publications can also inspire a lot of people. A lot of authors can inspire their readers with their stories or maybe their experiences. Not only the storyplot that is shared in the ebooks, but also they write about the knowledge about something that you need, for example, how to get a good score on TOEFL, or how to teach your sons or daughters, there are many kinds of books which exist now. The authors on this planet always try to improve their talent in writing, they also do some analysis before they write the book. One of them is this Secret Affairs.

#### **Hugo Carter:**

Playing with family within a park, coming to see the water world or hanging out with pals is a thing that usually you may have done when you have spare time, then why don't you try something that is really opposite from that. An activity that makes you not experience tired but still relaxing, thrilling like on a roller coaster you already have ridden and with the addition of information. Even if you love Secret Affairs, you may enjoy both. It is a good combination, right, you still would like to miss it? What kind of hangout type is it? Oh come on, it's a mind hangout, fellas. What? Still don't obtain it, oh come on, it's known as reading friends.
