She: A History of Adventure (Annotated) H. Rider Haggard

She, subtitled A History of Adventure, is a classic by Henry Rider Haggard, first serialized in The Graphic magazine from October 16 to January 17. She is one of the classics of imaginative literature, and as of 1965 with over 83 million copies sold in 44 different languages, one of the best-selling books of all time.

Extraordinarily popular upon its release, She has never been out of print. According to the literary historian Andrew M. Stauffer, "She has always been Rider Haggard's most popular and influential novel, challenged only by King Solomon's Mines in this regard".

This edition has been formatted for your Kindle, with an active table of contents. It has also been annotated, with additional information about the book and its author, including an overview, plot, background, concept, style, genre, themes, reception, biographical and bibliographical information.
