**Gender Issues in Ethnography, 2nd Edition (Qualitative Research Methods, Series 9)** Carol A.B. Warren, Jennifer Kay Hackney

This **Second Edition** summarizes the state of the art of gender issues in fieldwork both in anthropology and sociology. Warren shows how the researcher's gender affects both the fieldwork relationships and the production of ethnography. The authors focus is more empirical than theoretical; using literature on gender and ethnography, together with their own experiences as women ethnographers, they focus on ways in which researchers represent these experiences through narrative.
