## **A Bad Place to Die**

When Wyatt Earp and his brothers left Dodge City, they left the job of keeping the peace to young Bat Masterson. But a lawman's badge is little more than a target in this rough, wide-open frontier town where, for every citizen who abides by the law, there are two who want to tear it apart. And nearly every stranger who rides in is offered a handsome fee to put a bullet between a lawman's eyes. Teddy Blue's come for a different reason. The Pinkerton agent has built a reputation as a useful man with a gun, having already saved the famous skins of Buffalo Bill Cody and Wild Bill Hickok. But keeping Masterson breathing could prove to be the most difficult assignment of all. Because there's nowhere to turn for help in Dodge; it's just Bat and Blue against pretty much the whole damn town. . . with the killers lining up to take their shots.
