Annie Resnick:

As a college student exactly feel bored to reading. If their teacher requested them to go to the library or even make summary for some guide, they are complained. Just very little students that has reading's heart or real their interest. They just do what the educator want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that looking at is not important, boring and also can't see

colorful pictures on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we want.
