Where Southern Cross the Dog

Allen Whitley

Where Southern Cross the Dog Allen Whitley

In the late 1930s, Jim Crow walked unopposed in Mississippi, and Europe was preparing for war. But even though an ocean apart, the threads of hate and fear bound them together.

Set in Clarksdale, Mississippi, *Where Southern Cross the Dog* begins with the tragic slaying of a day laborer and the chance meeting of its two main characters: Travis Montgomery, a new graduate of Millsaps College, and Hannah Morgan, a young, educated, affluent African-American woman who returns to the South to assist her ailing grandmother. As their initial wariness turns to friendship and then romance, Travis and Hannah unravel the secrets behind the murder which include a conspiracy that runs from Clarksdale to pre-war Europe.

Where Southern Cross the Dog includes a CD compilation by Allen Whitley and Jim O'Neal featuring tracks that are re-released for the first time by artists such as Emma Jane Davis and Asa Ware.
