Cherished: A Masters and Mercenaries Novella Lexi Blake

A doctor living a double life

By day, Dr. Will Daley is one of Dallas's most eligible bachelors, but every night he dons his leathers as one of Sanctum's most desired Doms. He's sworn off looking for a long-term relationship but is captivated by the club's newest member, Bridget Slaten, even though they couldn't be more different. She comes from a world of privilege and he was raised in poverty. When he discovers she needs a date to her sister's wedding, he makes certain he's literally the only man for the job.

A woman no longer willing to live in the shadows

For most of her life, Bridget hid herself behind her laptop. She can write romantic, sensuous lives for her characters but not herself. Having Master Will as her date to the wedding is a thrilling prospect but he has a special request. He wants her to accept two weeks of his services as a Dom, a lover, and expert in BDSM, and that is an offer she can't refuse. Their sexual chemistry is undeniable, but it's in the tender moments that Bridget realizes she's falling for a man who might never trust her with his heart.

A love strong enough to cherish

Together in paradise for a week, Will realizes he can't imagine his life without Bridget. As the wedding approaches, ghosts from their past come back to haunt them and threaten to ruin the peace they've found. With everything exposed, they will have to risk it all to claim the love that can set them both free.
