Based on the conviction that a solid knowledge of French grammar is essential, *En bonne forme* introduces each grammar topic by way of one or more excerpts of French or francophone literature. These reading selections (**Lectures**), at the beginning of each chapter, illustrate the grammar topic.

The core of the chapter is the grammar section (**Grammaire**). It consists of a thorough explanation of each grammar topic with reinforcement exercises after each major step. **Supplements de grammaire** consist of a selection of idiomatic expressions that appear in the **Lecture** or are related to the grammar topic. Each item is followed by reinforcement exercises. The fourth major feature, the **Synthese** section, contains contextualized activities, communicative activities in pairs and groups and topics for written composition. *En bonne forme* provides ample opportunity to improve all four skills-reading, writing, listening, and especially speaking.
