Young archeologist Kylie Hafford heads to the remote Puebloan ruins of Lost Valley, Colorado, to excavate. Her first exploration of the crumbling ruins ends in a confrontation with a gorgeous, angry man who looks like a warrior from the Pueblo's ancient past. If only Danesh weren't so aggravating... and fascinating. Then she literally stumbles across Sean, a charming, playful tourist. His attentions feel safer, until she glimpses secrets he'd rather keep hidden.

The summer heats up as two sexy men pursue her. She finds mysteries – and surprising friendships – among the other campground residents. Could the wide-eyed woman and her silent children be in the kind of danger all too familiar to Kylie?

Mysterious lights, murmuring voices, and equipment gone missing plague her dig. A midnight encounter sends Kylie plummeting into a deep canyon. She'll need all her strength and wits to survive. Everything becomes clear – if she wants to save the man she's come to love and see the villains brought to justice, she must face her demons and fight.
