For most people, reading the Bible seems like a chore and it is a struggle. Not only is the Bible quite bulky but some versions can also be quite hard to understand. Furthermore, we are so busy with our lives such that spending a few minutes reading the Bible is really hard, and if we do read something, most of the times, we don't even understand what we have read. We feel as if it is a history book with some nice stories. In simple terms, the Bible is not personal to us and many times we have difficulty relating it to our day to day lives especially if you are a new Christian.

However, it is crucial as a Christian that you are able to read and understand the Bible. That is why I wrote this book to help you and share some effective steps I have successfully used to achieve this.

Here's A Preview Of What You Will Find In The Book :

- Brief overview of the major versions of the Bible and how to select one.
- A brief overview of the books of the Bible and the most important stories of the Old Testament.
- How to use prayer and quiet time with God to further deepen your understanding of the Bible.
- Step by step process to help you understand the bible.

To truly understand the bible, you can't just read the Bible as a standalone book because it is not about you, or about me, it is about one person: his name is Jesus Christ. In fact, the Bible is the revelation of God's rescue plan for humanity through the death and resurrection of his son, Jesus. He is revealed throughout the entire Bible in one form or another, he is the one and only key to truly understanding the Bible. This book will further help you in this understanding.
