### EXCERPT:

The sweetness that was in their eyes was gone. The kindness in Jack's eyes was replaced by a raw, animalistic sharpness. Caleb's playfulness had turned savage, his eyes filled with an intense seriousness, and his intentions were obvious. I was about to be devoured by these men, and I realized as I stood there practically naked in front of them that I wanted them just as much! I wanted to submit to that fire in their eyes. I wanted to give them exactly what they wanted. And I wanted what they had to give me.

Raising my head, I looked them both in the eyes, matching their gaze, their passion, showing them the fire that I possessed as well. It was time for me to let go. I was ready for them. I didn't have to say a word, they saw it in my eyes. They knew I was ready.

They stood up together, and removed their clothes quickly. I was in awe of them as I watched their bare flesh come into view. Thick, ropey muscles flexed as they moved. I smiled as they stood naked in front of me. Their cocks were huge, rigid and standing at rapt attention.

My breasts heaved in anticipation, knowing exactly what was coming next as I looked into their sparkling eyes.

Slowly, I undid the front clasp of my bra and peeled my panties down my thighs as they watched me intently. As I stood up slowly, they gasped as they gazed at my naked body in front of them. I felt amazing.

“Make me feel like I've never felt before, boys.” I whispered.

They were on me in a flash.
