CROSSING is a post-apocalyptic, dystopian disaster story of survival. James Rockwell is vacationing in Maine with his family, when an earth-changing explosion sends them on a race for their lives. Their first step is escaping an island in the midst of a tsunami, and it only gets more dangerous from there. Can they find their way home as civilization crumbles around them?

Set in the post-apocalyptic world of Steven Konkoly's best-selling Perseid Collapse series, CROSSING follows the same timeline of cataclysmic events from one family's perspective.

It's a bullet-train of a thriller riding on the edge of the rails to the last page.

CROSSING is a novella and is part one of The Pilgrimage Series.
