La Grande Parade: essai sur la survie de l'utopie socialiste (French Edition)

Jean Francois Revel

La Grande Parade: essai sur la survie de l'utopie socialiste (French Edition) Jean Francois Revel 342pages. in8. broché. Parade signifie à la fois l'action de parer un coup et l'étalage que l'on fait de ses ornements pour attirer l'attention sur soi. De fait, depuis dix ans, la grande parade de la gauche consiste à détourner les conséquences de l'effondrement du socialisme réel en 1989 -1990, et à conserver sa place dans la comédie du pouvoir, en habillant le vieux fonds idéologique d'habits plus séduisants. L'auteur débusque les hypocrisies ou les mensonges, ou pire encore la bonne foi aveuglée, de ceux qui s'efforcent de minimiser ou d'absoudre les crimes du communisme en s'en prenant au libéralisme présenté comme une idéologie perverse, en dénonçant à tout propos le racisme et le fascisme, en effet condamnables mais auxquels le communisme n'a rien à envier. Refus de l'histoire, recours grandissant à des procédés staliniens, entretien à grands frais d'un Etat toujours plus impuissant, anti-américanisme primaire, refus de la liberté au nom de la justice elle-même bafouée dans les faits, tel est le constat accablant dressé, avec vigueur et par une argumentation nourrie d'exemples concrets, par un essayiste au mieux de sa forme, dont l'analyse s'étend à l'échelle internationale, même si le cas de la France est naturellement traité plus à fond.
