Sanctuary Buried (WITSEC Town Series) (Volume 2) Lisa Phillips

Eight years ago Francesca Canetti testified against her father—the head of a mafia crime family. Now she's Frannie Peters, running a bakery in the witness protection town of Sanctuary. Her former-starlet mom and her younger sister mooch off all her hard work, her best employee has terminal cancer, the town's mafia crew insists she's one of them and her love life is so non-existent it isn't even funny. Dare she try and unearth a better life? Matthias Hernandez is a ranch hand with his own bundle of secrets. His feelings for Frannie have lain undiscovered for a long time, until he realizes his family won't fix itself. It's time to dig up the future he's always dreamed of. When Frannie stumbles on a killer at work, the culprit turns his attention to her — and with the attention comes deadly consequences. Can they figure out the identity of the “dark angel” before it's too late for all of them?
