Snowbound

Blake Crouch

Snowbound Blake Crouch

For Will Innis and his daughter, Devlin, the loss was catastrophic. Every day for the past five years, they wonder where she is, if she is—Will's wife, Devlin's mother—because Rachael Innis vanished one night during an electrical storm on a lonely desert highway, and suspected of her death, Will took his daughter and fled.

Now, Will and Devlin live under different names in another town, having carved out a new life for themselves as they struggle to maintain some semblance of a family.

When one night, a beautiful, hard-edged FBI agent appears on their doorstep, they fear the worst, but she hasn't come to arrest Will. "I know you're innocent," she tells him, "because Rachael wasn't the first...or the last."

Desperate for answers, Will and Devlin embark on a terrifying journey that spans four thousand miles from the desert southwest to the wilds of Alaska, heading unaware into the heart of a nightmare, because the truth is infinitely worse than they ever imagined.

About the Author:

Blake Crouch is the author of over a dozen bestselling suspense, mystery, and horror novels. His short fiction has appeared in numerous short story anthologies, Ellery Queen's Mystery Magazine, Alfred Hitchcock's Mystery Magazine, Cemetery Dance, and many other publications. Much of his work, including the Wayward Pines series, has been optioned for TV and film. Blake lives in Colorado. To learn more, follow him on Twitter, Facebook, or visit his website.

Praise for Snowbound:

The journey towards the end of SNOWBOUND is as chilling as the setting is cold. Crouch's gift for suspense has never been this personal before. This is Blake Crouch, scholar of words, parser of tales. With great humbleness and the back-up of a Booklist Starred Review, I cannot recommend this book highly enough. SNOWBOUND is simply superb.

CRIMESPREE MAGAZINE

Crouch goes all in, writing harrowing scenes with pump-action Mossbergs and hand-to-hand combat, the site of a shocking betrayal and a frantic struggle for survival...Crouch's plot is compelling...a wild ride through uncharted territory.

CURLED UP WITH A GOOD BOOK

You have never read anything like SNOWBOUND, a sweet nightmare of a book that is unforgettable on several different levels. To put it another way, it's the Highway 61 Revisited of thriller novels. Some of you know what a compliment that is. If you don't, let me end by telling you this: I was screaming at one point while reading, and a few pages later I had tears in my eyes. Readers pour through shelves of books looking for writing like that. Look no further. I can't give you a greater recommendation than that.

BOOKREPORTER

Crouch builds suspense as lines blur between good and bad, and plot twists continue to the last sentence. Absolutely compelling reading, not for the faint of heart.
