Harrowing true stories from behind enemy lines in WWII

UPDATE: SECOND EDITION - WITH MORE ADDED CONTENT!!

~ READ FREE WITH KINDLE UNLIMITED ~BONUS RIGHT AFTER THE CONCLUSION - ACT NOW BEFORE GONE!

Behind enemy lines is a harrowing place to be. Few survive and those that do may never be the same again. World War II was no gentleman's war. There was brutality all around and death may have been a welcomed alternative to captivity. Rescue or survival was wanted even more though. There are stories of those that have been caught behind the enemies lines. They are cut off from their allies. Alone. Desperate. These are just a few of those stories.

Ask yourself, what would you do to survive? What lengths would you go to in order to make it out alive? This book explores what some did when faced with that very real question.

Comments From Other Readers

"This book kept me enthralled from the first page to the last! I was drawn in quickly and it didn't disappoint. I'm not a history buff but this book really makes me want to learn more about the actions that we took back in World War II." - Tony F (New York, US)

"Most of the books that I've read with history as its focus have been utterly dry and dull. I was pleased to find that this was not the case. I was impressed at the author's knowledge of our Special Forces as most have a hard time focusing on anything beyond the American's and the Germans. To be sure there is a bit about

both but the spot about the SAS was refreshing. Good read!" - Emmitt S (Yorkshire, UK)
