When River Kane's fiancé abandons her at the altar for being too conventional, she's heartbroken. But everything changes when her estranged archaeologist father sends her his journal - filled with cryptic maps and a note indicating he's in mortal danger. Worried, River faces her greatest fears and flies to the Amazon to find him. But she needs a guide. Someone completely unlike danger-seeker Spenser McGraw.

A charismatic treasure hunter who thrives on risk, Spenser hosts the popular TV show *Into the Wild*, dedicated to locating lost treasures and mythical icons. But River's father's life depends on discretion, and too-sexy Spenser is all about publicity. Forced to team up, they embark on a jungle adventure ripe with temptation and danger...ultimately discovering a hidden treasure that could alter history - and a steamy love neither expected.
