The Evony Gamers Guide Handbook – Gold, Medals, Level Up and Successful Attacks

Evony is the premier free online multiplayer gaming experience on the internet today. Launched in May 2009 this game has grown to include millions of players.

Evony is a game run entirely inside your browser window. So all you need to play is an internet connection and a browser such as Internet Explorer, Firefox or Chrome, etc.

Evony runs well on any type of machine. You'll like the easy play game style, as you can log off at any point and attacks, building upgrades, research and troop building will continue running, which comes in handy if you have a busy schedule.

The graphics are clear and simple.

The routine quest system is very handy to the new player, helping you build and strengthen your city quickly and easily. It has a 7 day beginner protection which is great for newbies.

As you play, you can buy or win items to quickly create buildings, resources and troops; these are won through a daily quest, or bought using game cents. You are given empty "tile" spots which you can build new buildings. You can buy extra resources, medals, troops, items to boost your hero's stats and experience.

The game is extremely deep and will be fun to the casual and hardcore player alike.
