??This is the last will and testament of Theresa Rose.

??I write this whilst in sound mind and body.

??The date is Thursday the 13th July, 2013.

??This may be the last recorded diary of anyone, anywhere.

??It happened.

??Finally and irrevocably, and there's no taking it back.

??The government has created the walking dead. Forget anything you've seen about zombies in comics or on late night corny movie channels. They are no longer the property of whimsical zealots intent on giving you a good scare.

??They walk!
