Daniel Coyle

Lance Armstrong's War: One Man's Battle Against Fate, Fame, Love, Death, Scandal, and a Few Other Rivals on the Road to the Tour de France Daniel Coyle

“A velvety mix of vivid, sophisticated prose, Raymond Carver’s unerring eye for nuance, and John Irving’s irreverent, unflinching humor....An intimate look inside the maelstrom of professional cycling.”

—*Boston Globe*

Daniel Coyne’s *New York Times* bestseller *Lance Armstrong’s War* takes a fascinating, in-depth look at a staggeringly talented yet flawed sports hero as he faced his greatest test: a record sixth straight Tour de France victory. Now with a new epilogue covering Armstrong’s quest to win an 8th Tour de France, this “intimate, insightful, unflinching look at the greatest athlete of our time” (Jon Krakauer) explores the remarkable drive and accomplishments of a controversial champion—a must read for fans of John Feinstein and David Halberstam, as well as readers of Lance Armstrong’s own *It’s Not About the Bike* and *Every Second Counts*.
