Saint Augustine

Augustine Catechism: Enchiridion on Faith Hope and Charity (The Augustine Series) Saint Augustine
Written as a favor for a friend, this little work is a wonderful explanation of the Christian faith: a true catechism from which, throughout the history of the church, other catechisms have drawn and learned. Augustine first works his way through the creed and then the Lords Prayer as recorded by Matthew, ending with the sacraments. This is a colossal work in one small volume.
