## Princesses Enslaved #1

*Smoldering eyes traced every curve of my body, as though he was burning an image of me into his mind, and then he knelt and swept me up and carried me over to his bed.*

When the elven fortress of Bleak Harbor falls to the human armies, the leader of the human host claims Princess Kailen as his prize, to become a member of his harem. On the long voyage back to his capital she learns that disobedience will not be tolerated and that her only option is to obey the prince in all things. Innocent of the ways of men, she finds herself at the mercy of a prince whose carnal desires appall her - at least at first. But how long can Sidonie defy the prince's will when her body is already longing to submit to his every desire?
