It is not down in any map; true places never are.

Welcome to Tamarind, where fish can fly, pirates control the waters, jaguars lurk, the islanders are at war, and an evil, child-stealing enchantress rules the jungle. Thirteen-year-old Maya, her younger brother, Simon, and her baby sister, Penny, have just landed their boat here after a terrible storm washed their parents overboard. After spending their entire lives at sea, it's a relief just to be on dry land. But Tamarind is unlike anything Maya could have imagined—a place both magical and terrifying. Now Maya will be lucky just to make it to tomorrow.
