BLACK STUD AT THE OFFICE: Making My Hubby Watch Book #8 (Interracial, Cuckold, Cleanup) Kylie Savard

I was at home when my wife Valerie videochatted with me to tell me she was going to be staying late at work. But just before she switched off her webcam, I saw a black stud in my wife's office rubbing her shoulders, and it sure looked like she wanted a whole lot more. Just thinking about what might be going on made me so turned on I had to take care of my own business. But when Val got home, **she told me all about what went on between her and DeMarco** in her office. The proof was in the pudding...in her panties! **I knew that once she got done telling me all the details, I was going to have to clean up a big mess**, some of which wasn't mine!

FOR ADULTS ONLY!
