Enduring Vision V2 Concise With Student Research Companion 5th Edition Paul S. Boyer, Clifford E., Sandra McNair Hawley

Noted for its innovative coverage of the West and the environment, this best selling U.S. history text provides students with a clear political narrative that incorporates social, cultural, military, and economic history. Each chapter begins with a dramatic vignette that both draws students into the chapter and presents the chapter's main themes. The vignettes are followed by three to five focus questions that provide a framework to help students understand the most important topics in the chapter.
