Fathers and Sons (Oxford World's Classics)

Ivan Turgenev

Fathers and Sons (Oxford World's Classics) Ivan Turgenev

When a young graduate returns home he is accompanied, much to his father and uncle's discomfort, by a strange friend "who doesn't acknowledge any authorities, who doesn't accept a single principle on faith." Turgenev's masterpiece of generational conflict shocked Russian society when it was published in 1862 and continues today to seem as fresh and outspoken as it did to those who first encountered its nihilistic hero.

This new translation, specially commissioned for the **Oxford World's Classics**, is the first to draw on Turgenev's working manuscript, which only came to light in 1988.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
