## The Art of Description: World into Word Mark Doty

"It sounds like a simple thing, to say what you see," Mark Doty begins. "But try to find words for the shades of a mottled sassafras leaf, or the reflectivity of a bay on an August morning, or the very beginnings of desire stirring in the gaze of someone looking right into your eyes . . ." Doty finds refuge in the sensory experience found in poems by Blake, Whitman, Bishop, and others. *The Art of Description* is an invaluable book by one of America's most revered writers and teachers.
