Kathy the Cannibal is the shocking true story of Katherine Knight and her heinous crimes—the ritual slaying of her partner for a cannibal feast. Knight, a 44-year-old slaughterhouse worker, stabbed father-of-three John Price 37 times, skinned his body, cooked his head and served him up for his children in an atrocious act that rocked her town and chilled the world to the bone. Drawing on numerous firsthand accounts and a detailed assessment of Kathy's personal life, this is a disturbing profile of normality twisted out of all recognition into the dark world of the remorseless psychopath. *Kathy the Cannibal* offers an insight into the true motivation behind such a grotesque act, and is a horrifying story of love, lust, revenge, and murder—all the more shocking because every word is true.
