Setting Up Shop: The Practical Guide to Designing and Building You Sandor Nagyszalanczy

Woodworkers are always looking for ways to improve their workshops, and this book is exactly what they need to outfit a shop for the first time, or expand their existing shop. Setting Up Shop, Revised takes the practical knowledge and ingenious solutions of the first edition, and combines them with additional photos and drawings to create the most comprehensive workshop book on the market. The second edition includes new photos and also updates on technology especially regarding dust collection, pneumatic tools, and safety. Topics covered include determining the best shop location, shop layout, equipping the shop with tools and accessories, shop safety, and storage. Setting Up Shop, Revised answers the real questions woodworkers have on how to achieve their dream shops, economically and straightforwardly.
